The Army fights to win, but with one eye on the kind of peace that will follow the war. The Book of Five Rings.

If doors and windows must be opened and both sides cannot be examined, use a

Neutralization involves two steps- disarming or replacing safeties in the firing assembly and defuzing or separating the firing assembly from the main charge and the detonator from the firing assembly. A unit discards ammunition considered unserviceable because of dirt, tarnish, mud or other avoidable conditions or minor imperfections.

Nowhere else does a boss have to answer for how subordinates live and what they
