While dealing with similar issues as Eve Ensler's Vagina Monologues, this book is more gentle, less controversial, and less confrontational- Just a simple presentation of true stories that describe a variety of experiences. My Little Red Book I'm not sure whether I would have a better approach at periods than my elders were, I'm at least certain that this book will help pave the way for a more open discussion where my own words will fail.

Howdoesonepronouncethattongue-twistingword"menstruation"? No girl who is in my little red book, Just ever could replace your love, And My Little Red Book girl in my little red book Knows you're the one I'm thinking of. Love's version gained moderate mid-chart success and, [ clarification needed ] with its radical interpretation of the original's pop sensibility, became a garage rock standard. This book is very positive even in the sadder stories.

ShortStories.Nalebuffgathersstoriesfromfamousandnotfamouswomentog

favorite essays were one where the gal said "how women deal with their first period seems to prefigure their attitudes as grown women. My Little Red Book is a collection of stories about first periods from women throughout the world.
