Reality: Nearly everyone struggles with situations outside their comfort zones. I have made myself uncertain and confused. And then figure out if, and how, you can work with your relationships to those people to foster mutual trust, respect, and appreciation.

This describes me almost perfectly. They are like my husband. And can I find others in books, discussions, HBS that tried those other alternatives? What is more important is how you deal with them and the lessons you will learn along the way.

Sometimes you need to take risks. This describes me almost

perfectly. Keep a smile on your face.
