Even its lyrics are not translated. Dangchao proposes an approach for studying the migration of theories, which he believes is new from three perspectives: first, unlike many studies on the transfer of theories which mainly focus on the moving theories, in this approach the reception of the theories in different times and places is emphasized. This translation pattern, which created a pessimistic image of Le ragioni del cuore (Italian Edition) strengthened the defensive attitude of its opponents, mostly Marxists, in Iran by supplying them with material which was clearly opposed to the socialist-realist ideas propagated by .

Knowledge, discourses and theories are reproduced in different ways: whether
