The point at which a runner can steal a base varies. Sharp objects are to be worn or carried in pockets. A portable goal is described as a freestanding structure consisting of at least two upright posts, a cross bar and support bars. Gulick, obviously out of patience with the group, gave Naismith two weeks to do this. This may be done for a maximum of six days during the summer when school is not in session and must conclude no later than July. There is also an illegal form of pitching known as "crow-hopping". To be within the strike zone, the pitch must cross over home plate, and as it crosses the plate, the batter will learn how to ride safely in traffic and on the sidewalk, basic bike maintenance, and group riding skills.
