Hi DaNelle, nice. I heat my electric oven for about one minute, turn it off and then leave the light on....

This bread looks incredible! Click here for the recipe. I used a 10 grain cereal and this recipe and ended up with the most beautifully textured, light, springy bread! This is classic indeed, with both all-purpose and whole wheat flours and two rising times for two small loaves of good, old-fashioned wheat bread. This baked perfectly – moist and light.

Yeast is good and milk was the right temperature. Can the dough be left for 4 hours at room temperature? I have been trying to get up the nerve to make some sandwich bread but wanted something with some fiber, this looks delicious and perfect!
