Conscription affected agrarian communities more than industrial ones, and the death-toll for France's rural regions was consequently higher than the national average, with Corsica the department with the highest ratio of casualties per capita: the trauma of losing a dozen young men in a small village caused many Corsicans to begin to question the French state. Masson liked reading books, and he started writing . ApartfromhisinvolvementasaMemberofParliament,Dr. Many film makers have directed works which were not commercially released, for example early works by Orson Welles such as his filming of his stage production of Twelfth Night in or his experimental short film The Hearts of Age in Inhe developed and directed a multidisciplinary project "Territories of fiction". Morris, Peter
