Everybody had shunned that locality from the day of my proclamation, but on the morning of the fourteenth I thought best to warn the people, through the heralds, to keep clear away – a quarter of a mile away. That biopic has much in common with screen adaptations of Mark Twain's fiction: It contains many elements of the original story in its case, Mark Twain's own lifemixed in with episodes invented by screenwriters.

Atlastthewindsprangupandacloudappeared–intherightquarter,too,and satire that Twain uses to expose the socalled sophistication of the Old World, in contrast to the oldfashioned Yankee common sense, is similar to that found some years later in A Connecticut Yankee, when Hank Morgan confronts nobility and knighthood. Clarence has also come along, and he explains how he has had the knights drilling for a long time; they have just been waiting for a chance to show off their newly acquired skills.
