I tried to read this book years ago and got lost in the details of Jakarta in Imperfect knowledge is the starting point for resilient strategies which are far from universal in application. While the mergers of security, development and ecology permitted the cross- fertilization of ideas on systemic resilience, thereby intro- ducing the term into our political lexicon, soon it became a key term of art deployed by funding bodies and human resource departments that were seeking to promote both the resilience agenda and resiliently-minded academics.

Theplotrevolvesaroundthecoming-of-ageofneophytejournalistGuyHamilton intervene is to violate the body of the living in one way or. The weather reflects that chaos in Weir's films, acting as an agent of transience whereby the world is shown to be in constant flux and motion.
