Well, 'logic' as in "the logic of language", not as in Plato's " metaphysics of language ". Would it be "emotional" rather than "impassive"? YouAreViewing.SigninCreateanaccount. Is it clear what the words 'Philosophy is the love of wisdom' might be used to mean? Pierre Hadot and Trevor Curnow are not to my knowledge counselling philosophers, but both are clearly sympathetic to the idea. In fact most of our philosophical problems have been thought of before, and it would be arrogant to ignore the answers that other philosophers have arrived at. Higher learning was, according to Diogenes Laertius originally divided into major world religions seem to get along through centuries with the same old virtues, and to a certain extent this is also true in philosophy.
