The most charitable thing to be said about it is that it wildly overestimates our species: absent subconscious motives, apparently, we would never lose anything at all. The words were hard to hear then, and I could convince myself to think about something .

God, send your Holy Spirit upon me. I was having a good day hanging with my friend. Leave this field blank. The depth and range of residents' explorations show the value of adding brief, protected time for residents to explore their hopes, joys, struggles, and feelings, and to develop meaning from their experiences with patients. Well, it certainly could be the voice of God, as I believe it is, so I think you and other readers should take it seriously.

Please help improve this section by adding citations to reliable sources. By actively considering our thoughts and actions we become aware of the power of reflective thinking as a tool for continuous improvement and this obviously has implications beyond the personal. In: Chattopadhyana gen.
