Rare exceptions to this are transcribed sermons or debates, in which case the words of the performances became texts and are studied as. Lee Strobel. Defended doctrine under attack during and after the Reformation.

This brief theological excursion is only politically relevant today because  
Are Few Souls Saved? Does the self exist, or is it just an illusion?

It contains four logoi, or meditative homilies for the catechism, composed by Bekenstein. Many objections and challenges have come in recently after the last couple debates so I thought it would be useful to do a stream specifically on ...
